

Product Recall:

Cutlery from Herobility (Eco Feeding Spoon, Eco Baby Spoon and Fork)

Herobility has received a small number of complaints stating that Eco Feeding Spoon (also found in Eco Placemat Feeding Set) and Eco Baby Spoon and Fork products have broken into small pieces, and considering that they may present a risk of choking, we have decided to recall the products.

Therefore, Herobility is recommending all customers that they return their cutlery. Of course, you will be refunded for your products.
